

## **REDEFINING POSSIBILITIES!**

His mother named him Jeffrey, but his friends call him Griff. He is currently in a wheelchair, but not forever!

Griff always dreamed of playing sports on the 'big stage'! As a kid he envisioned playing college football as a receiver. He was one step closer to fulfilling his dream when a construction accident left him broken and paralyzed from the waist down. His life and dreams were shattered but not defeated. During those dark days he had a decision to make: he could either stay down and quit or get back up and succeed. He chose the latter.

He played in the 2004 Paralympic games in Athens, Greece, and is a silver medalist in Wheelchair basketball. He is a National Champion, in the (Wheelchair NBA), and a four-time All-Star MVP. Jeff also won the St. George Marathon, has two Guinness Book of World Records, and wrote an award-winning book titled I'M--POSSIBLE: Desire. Dream. Do. He also has a Master's degree in Education and Curriculum and created a worldwide peer-to-peer leadership program that was recognized at the United Nations.

Griff also married his best friend Emily and has 4 beautiful biological children. He is passionate about progress and peanut butter M&Ms.

It is my honor and privilege to introduce our Keynote speaker (time and location) whose, Transformational Message and Life-Altering Experience will leave US with a smile on our face, hope in our hearts, and belief in our mind that WE too can accomplish the IMPOSSIBLE!

Please help me welcome Jeff Griffin
